

### COVID-19 Update as of 9/7/21

Because of the rise in infections from the Delta variant of the Coronavirus, **Face Masks will be required for entry into all Duplin Events Center events and must be worn at all times (Indoors and Outdoors)**. The Duplin Events Center is a county-owned facility, and this mask requirement has been put in place by the Duplin County Commissioners for the safety of all staff and patrons. Face masks will be available at the main entry gate, and hand sanitizing stations will be available at several locations throughout the festival grounds. Thank you for your adherence to this requirement.

It is also recommended to social distance when possible and wash or sanitize hands routinely.

Please monitor [DuplinEvents.com](http://DuplinEvents.com) and our Facebook page for the most current information. The COVID-19 Delta variant is being monitored closely to ensure the safety of all that attend.

If you are sick or feeling ill, please stay home and seek medical attention.

Please note any interaction with the general public poses an elevated risk of being exposed to COVID-19 and we cannot guarantee that you will not be exposed while in attendance of any event. We encourage you to follow our safety policies as well as local laws and restrictions.
